**Cousin Skinner's Romance.**

Robert P. Skinner, United States consul at Marseilles, France, who has gone to confer with King Menelik of Abyssinia in regard to better trade relations with the United States, figured in a romance during President McKinley's first administration, says the Cleveland Plain Dealer. Skinner was then publishing a paper in Ohio, and the president, who knew him very well, asked him one day why he did not marry the girl to whom he had been paying attention for some time. The young man candidly said he was not in a position to do so. "Now, Bob," answered the president, "you go and get married. I'll see about the position." Mr. Skinner took the hint and shortly after being united to the girl of his choice was appointed to his present place.

**License in Switzerland.**

### TIME IS THE BEST.

The Testimony of Barre People Stands the Test.

The test of time is what tells the tale: "A new broom sweeps clean" but will it wear well is what interests most. The public soon find out when misrepresentations are made and merit alone will stand the test of time.

Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills, they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. N. M. Nelson (N. M. Nelson, ex-Superintendent of streets), residence 13 West Street, says: "I felt so well pleased with the results obtained from the use of Doan's Kidney Pills in the winter of 1897 that I gave for publication a statement of the kind of which was as follows: An attack of la grippe, some eight years before, left me in poor health. As time went by I grew worse instead of better. A second attack prostrated me and still weakened my condition physically. I paid over \$100 for doctors' bills and medicines, compelled me to stop and rest. At night when I went to bed the very place where a mortal expects rest and comfort was the very place where I never received it, and, as might be expected, I arose in the morning poorly prepared for the commonest household duties. In time other complications arose and accompanying the backache, which was severe enough of itself, trouble with the kidney secretions set in. I became discouraged and often I wonder how I pulled through. One day Mr. Nelson brought home a box of Doan's Kidney Pills from E. A. Brown's drug store and insisted upon me taking them. If a dose or two had not brought decided results I would never have continued the treatment until they stopped a decidedly acute and possibly dangerous attack. I have never ceased to recommend Doan's Kidney Pills to friends and acquaintances during the five years which have elapsed since that preparation first came to my notice."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
